

Kingston Township reminds property owners to keep right-of-way clear

Kingston Township residents and property owners are reminded not to place encroachments, such as fences, landscaping timbers, trees, shrubs or any other item within the Township street right-of-way.

Property owners need to be aware that they do not own up to the edge of the roadway. Street right-of-ways vary from 33 to 50 feet. Residents that are unsure of the width of their street may call the Township Office for further information.

It is very important that the right-of-way remain free of encroachments for snow removal, utility construction and street maintenance.

Residents are also reminded that this area is not their property and that the Township has the authority to order removal or to remove, the encroachments from the street or road right-of-way.

The Township is asking for cooperation from all residents in respecting the public right-of-way. Residents with questions may call the Township Administrative Office at 696-3809.
