## Note from the judges

The board of directors of the Back Mountain Memorial Library thanks all participants, sponsors, judges and others who gave their time or other contribution to the first auction photo contest. Entries were ranked by a panel of three judges. The first consideration was that the photo clearly illustrate the auction. Other considerations were artistic: composition, color and photographic integrity.

The first-place winner receives a \$100 gift certificate to Dallas Photo Shop; second-place wins a Vermont Bountiful Breakfast Basket and honorable mentions receive official auction t-shirts. Special thanks to Randy Loyd of Dallas Photo and the Dallas Rotary Club for their support. Loyd will present the first prize at an upcoming Dallas Rotary dinner.
