

College Misericordia to open Speech and Hearing Center

Dr. Donald R. Fuller, chairperson of the Speech-Language Pathology department at College Misericordia announces the opening of The Speech and Hearing Center at College Misericordia. Staff members of the center will begin taking referrals in early July to schedule appointments for September. Center director is Joan Nolan, who also serves as an assistant professor of the Speech-Language Pathology program at CM.

The center will provide complete diagnostic and therapeutic services for children and adults who have speech and hearing problems.

Services are provided by graduate student clinicians working toward their master's degrees in speech-language pathology at College Misericordia. The graduate clinicians evaluate and treat clients under the direct supervision of clinical faculty certified by the American Speech-Language-Hearing Association (ASHA) and licensed by the Commonwealth of Pennsylvania.

The Speech-Language Pathology program at College Misericordia is a five-year program leading to a master's degree in Speech-Language Pathology. For students who are accepted into the program directly from high school, College Misericordia will guarantee those students a place in the master's program providing

they meet all of the necessary academic requirements.

A full range of speech, language, and hearing services will be available at the clinic for individuals of all ages, newborn through geriatric. A physician's referral is not necessary or required for an evaluation.

Therapy programs are designed to meet the individual needs of each client and can be provided in either individual or group sessions. Evaluation and treatment services are provided for the following speech and language disorders: Articulation/Phonology; Language Disorders; Voice Disorders; Stuttering/Fluency Disorders; Swallowing Disorders; Learning Disabilities; Cognitive Disorders and Hearing Disorders

Nolan, who has 25 years of experience, is a doctoral candidate in Communication Sciences at Nova Southeastern University in Florida. She possesses the Certificate of Clinical Competence from the American Speech-Language-Hearing Association. She is licensed in Pennsylvania as a Speech-Language Pathologist and holds certification by the Commonwealth as a speech correctionist and a reading specialist for grades K-12. She resides in Stroudsburg with her husband and two children.

To schedule an appointment call the clinic at 674-TALK (8255).

Weekend classes get fall start at Penn State Wilkes-Barre

Starting this fall, Penn State Wilkes-Barre will offer select business classes in economics and management on Saturday mornings from 8 a.m.-noon. Evening programs have been in place for some time at the campus and at the Kingston Center (Wyoming Valley West Middle School) and these Saturday courses will provide another option to working adults who are pursuing a Penn State degree.

The Saturday courses will be a combination of in-class and electronic instruction using A

New Global Environment for Learning (ANGEL), Penn State's Course Management System. ANGEL is software that enables instructors to use the Web to enhance their courses without any knowledge of HTML. Instructors can use ANGEL to make lecture notes, quizzes, announcements, or other information available to the students enrolled in their courses. ECON 004 and BA 250 are planned for a Saturday schedule in the spring.

For more information, call 675-9238.

Dallas Elementary School's outstanding students named

Dallas Elementary School has named the student standouts for the month of May.

Kindergarten

Mrs. Callahan am - Aiden McLaughlin, super reader; pm-Albert Hunter-Great artist.

Miss McLaughlin am-Kurtis Sod- Good journal witer; pm-Alexandria Lesninski- Work is always neat.

Mrs. Harding am-Sydney Kern- Best Disposition pm-James Flores- Very cheerful, always smiling.

First Grade

Mrs. Butcher-Matthew Sabahard worker, helps other, enthusiastic student.

Mrs. Brandt-Nigel Stearns-Hard worker.

Mrs. Cannon-Amanda Martin- Being a great first grader.

Miss Palfey-William Akins-Extraordinary student in all subjects.

Mrs. Schuler-Marley Beshore- Quietest worker.

Mrs. Spear-Jory Brezinski-hard working student,

Second Grade

Mrs. Besecker-Nicole Giampietro- Always sets a good example for others

Mrs. Lyons-Greg Petorak- enthusiastic student, hard worker

Miss Sayre-Tyler Evans-excellent effort with cursive writing

Mrs. Yurko-Maria Fessler- Conscientious, considerate, and quiet worker

Ms. Zezza-Casey McAndrew-

Improvement in Handwriting.

Third Grade

Mrs. Bestwick-Brittany Ptaschnik-Best Attitude

Miss Conway-Laura Watts- Most enthusiastic student, friendliest, best manners.

Mrs. Gibbons-Tim Jennings- Most improved behavior, very impressive.

Mr. Viglone- Kaitlin Kean- Most organized and hardest worker.

Mr. Wesley- Donald Behm- Most Cooperative.

Fourth Grade

Ms. Cohen-Sarah Konopki- Most friendly, helpful, and organized.

Mrs. Ford-Jordan Mullen- Most polite.

Mrs. Manahan-Melissa Snyder- homework always finished, always helpful

Miss Scott- Mrs. Socash- Steven Scherer- Perfect attendance.

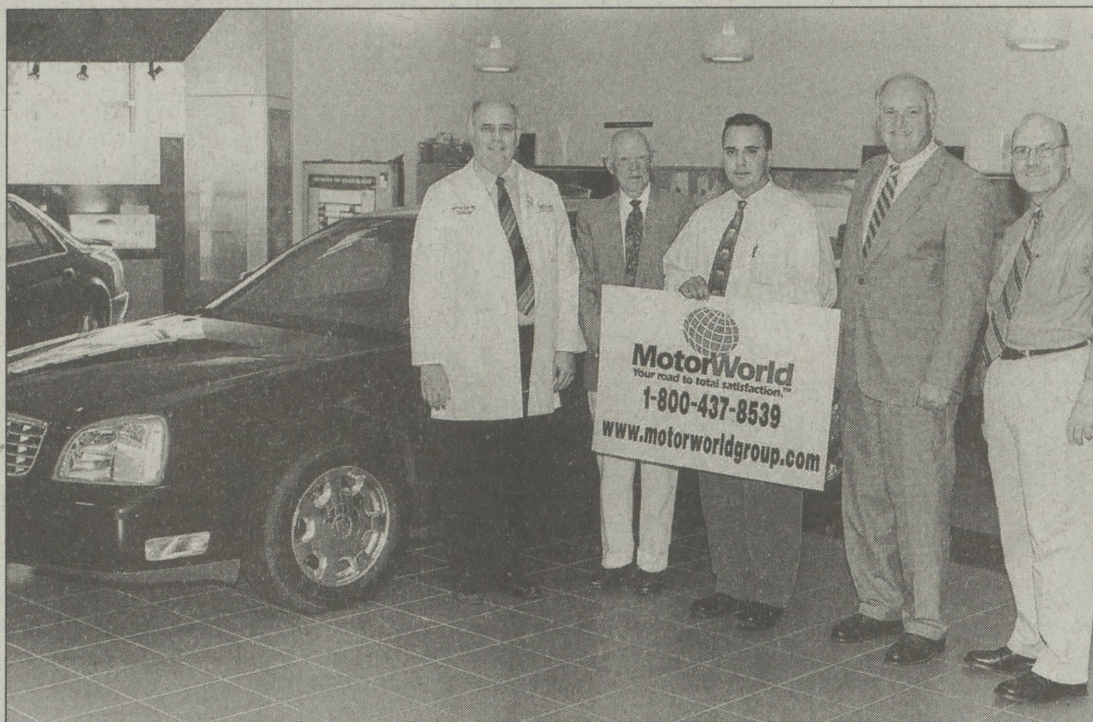

Fifth Grade

Miss Cooper-Ryan Bump- Improvement in Academics

Mr. Duffy-Kai Szulborski- For an incredible use of vocabulary, a imagination second to none used creatively to solve problems, and toward continued success as a truly exceptional 5th grader.

Mr. Traver-Taylor Dunn- Very helpful, good citizen.

Mrs. Wesneski-Michael Spencer- quiet worker, cooperative student, and always smiles.

Hole-in-one awards for Geisinger Wyoming Valley golf tournament

Motorworld will once again sponsor the hole-in-one awards for the 2003 Geisinger Wyoming Valley Medical Center (GWV) Golf Tournament. The captain and crew tournament will be held Monday, August 18, with a shotgun start at 12:30 p.m. at Wyoming Valley Country Club in Hanover Township.

For more information on the golf tournament, call Geisinger Wyoming Valley at 826-7717.

Misericordia makes first Hall of Fame inductions

College Misericordia athletic director Dr. Michael Mould has announced the inductees for the first class in the CM Athletics Hall of Fame.

The class includes Dr. Robert S. Anderson, Heather (Dougherty) Holdredge, '97, Jean (Drapiewski) Lacy, '62, Sr. Eloise McGinty, Mike Moeller, '84, and Charlotte Slocum. Induction ceremonies will be held in conjunction with CM's Homecoming weekend, September 27.

"It gives me great pleasure to announce the members of our first Hall of Fame class," said Mould. "These individuals were critical to the development of the rich tradition of CM athletics."

Dr. Anderson was inducted as a contributor in recognition of his tremendous support to CM athletics over the last 13 years. Among the many projects at CM that bear the Anderson name are: Anderson Fields for Soccer and Softball, the Anderson Sports-Health Center and the Anderson Outdoor Athletic Complex.

Holdredge was elected as an athlete after a stellar swimming career. She was the school's first NCAA qualifier as a junior and became CM's first NCAA All-American in the 100 breaststroke in 1997. She held 10 school records upon graduation and continues to hold four records. She has served as CM's assistant swim coach for six years.

Lacy was a basketball standout who ranks second on the school's all-time scoring list with 1,171 points. She compiled this total in just 43 games while playing in an era prior to the 3-pointer and still holds the school record of 27.5 points per game for her career. She also holds the single-season scoring record with 31 points per game in 1959-60 and has the single-game high of 46 points.

McGinty was elected as an administrator after serving as Athletic Director/Moderator for 25 years. She pioneered women's athletics while presiding over the evolution of CM varsity sports virtually from inception to the modern era. She

brought to life the RSM's commitment to a well-rounded education and received the Catherine McAuley Medal in 1987 for 50 years of service to CM.

Moeller was a men's basketball standout and became the first player in the program's history to score 1,000 career points. Playing in the era before the three-pointer, he ended his career as the all-time leading scorer at CM and is currently third with 1,558.

Slocum has served as Misericordia's softball coach for 23 seasons while compiling a career record of 487-224. She has never suffered a losing season while earning a career winning percentage of .685. She has enjoyed 13 seasons of 20 wins or more, including six with 30-plus victories. Entering the 2003 season, she ranked sixth among active D-III coaches in winning percentage and 17th in victories. Her teams have won four PAC championships and two ECAC titles in addition to five straight PAC runners-up finishes.

Narkiewicz

(continued from page 9)

worked with him in an academic capacity said he came to school each day armed with a cheerful outlook and a witty sense of humor.

"He came to school whistling with a smile on his face in the morning, and left at the end of the day whistling and with a smile on his face," said Bob Roberts, Lake-Lehman superintendent.

But beyond his happiness and success, perhaps the most enduring aspect of Narkiewicz's legacy may be his kindness.

"He used athletics as a tool to make young people better persons."

Michael Mould
College Misericordia athletic director

"He was a great guy," said Rich Gorgone, Lake-Lehman athletic director. "He's one of those guys that you never hear anybody say a bad thing about him."

The news of Narkiewicz's death stunned his friends, colleagues, and former students and athletes. Although the shock may recede with time, the impact Narkiewicz had on their lives is not likely to be forgotten or diminished any time soon.

"He's going to be dearly missed," said Matt Samuel, Dallas High School cross-country head coach. "He was a genuine gentleman."

"It's a loss for Lehman, it's a loss for Misericordia, it's a loss for the Dallas community, and it's a loss for his family," Samuel said.

Besides his wife, Narkiewicz is survived by daughters Melinda Esh, 32, Maura, 22, and Marielle, 21; brother, Mark; and sister, Mary Harmon.

Boys basketball league at The Rock

The Rock Recreation Center will kick off its fall basketball league for boys from grades 6-8 September 8 at 5:30 p.m. at 340 Carverton Road, Trucksville.

Entry fee is \$75 per team, with a maximum of eight players per team allowed. For more information or to register, stop by The Rock or call 696-2769.
