Cancer Society needs volunteers

The Wyoming Valley Unit of the American Cancer Society needs volunteer drivers for its Road to Recovery program.

Road to Recovery is a program of volunteers who drive patients to treatment centers and home again. Your American Cancer Society needs more volunteers to insure that all patients have transportation when they need it. Volunteers drive the American Cancer Society van to transport patients in the Wyoming Valley. Road to Recovery volunteer can drive as little as once a month or as often as a few times per week. Having reliable transportation and caring ACS volunteers to take them to their appointments is very comforting to them.

For more information call Gina Severcool at 1-888-227-5445.

Donations needed to keep Red Cross viable

The American Red Cross is appealing to the public for monetary donations for its National Disaster Relief Fund. The fund has reached a dangerous 11-year low, putting it at one of its most critical levels in the red Cross' 122-year history.

Local Wendy's and Burger King Restaurants around the Wyoming Valley have agreed to place Red Cross collection canisters near registers to remind customers to support the Disaster fund by donating their change.

The American Red Cross is facing a financial crisis that could threaten its ability to offer critical lifesaving services to disaster victims throughout America. With a cash balance of only \$1.5 million as of June 30, there is a call to action to help the organization replenish the Fund. Since July 2002, the Red Cross has spent more than \$85 million responding to disasters, but has received only \$26 million towards these efforts.

Contributions can be made to the American Red Cross by calling 1-800-HELP NOW or 1-800-257-7575 (Spanish). Internet users can make a secure online credit card contribution by visiting www.redcross.org Contributions may also be sent to your local American Red cross chapter or to the American red cross, P.O. Box 37243, Washington, DC 20013.
