Dallas Girl's Soccer Boosters seek support

The Dallas High School Girl's Soccer Booster club is working for the benefit of the students on the Girl's High School Soccer Team. The club is in its early years and hopes to strengthen the program for the children.

The club currently runs several small fund raisers each year to provide an end of year

banquet and gifts for our seniors. The current goal is to purchase warm-ups for our team.

The club is asking for your financial support to help with this purchase. Any donation will be greatly appreciated by the girls, parents, and all High School Girl's Soccer Club, and mailed to the following ad-

dress: Dallas High School Girl's Soccer Booster Club c/o Donna Luksh, 52 Powderhorn Dr. Dallas, Pa. 18612.

The club will reward your generosity by posting signs at our events recognizing those who have helped, by patronizing your businesses, and recommending your services to our friends and neighbors.

SPCA Surgical Observation Program

The SPCA Surgical Observation Program which began in September, offers upper level high school students the opportunity to observe a neutering surgery.

Students learn how this surgical procedure helps to reduce medical and behavioral problems, and why neutering is so important in con-

trolling the overpopulation of companion animals. A tour of the shelter and take-home educational materials are included in the program.

The program is open to students in area high schools who are in college prep curriculum. For more information about this program contact Beth Maffei, Humane Educator, at 825-4111.
