very hard to be good because my brother is always in my way. It is fun at my house. I go to Wycallis School. And another thing is I will put out the cookies for you.

Rebecca Darling

Dear Santa,
Hi, I've waited all year for you to come and now it's only fourteen day away. All I want for Christmas this year is small things. I want you to give poor kids more than me. I feel bad for poor kids who don't get much for Christmas. When I go shopping with my mom I always put money in a box or can to try to help others. I fee that I've been good this year, and my mom agrees. The thing want most is a video game. I hope I get this.
