Want to stay cool?

You'd like the comfort of air conditioning, but there's no ductwork in your home. Should you choose:

- Traditional Window Unit**
 - Unsafe — causes security worries
 - Extremely noisy
 - Expensive to operate
- Central Air Conditioning**
 - Addition of ductwork very expensive (up to \$12,000)
 - Duct installation lengthy, messy and intrusive
 - Can lose valuable closet space
- Ductless Air Conditioning**
 - Quick and easy installation — only 1/2 day!
 - Energy-efficient — costs less to run than window units
 - Quiet, safe, convenient way to cool your home
