

## Dallas Borough curbside yard waste collection

The Dallas Borough Public Works Department will pick up yard waste at curbside each week through the summer months, with collections on Tuesdays and Wednesdays.

Following are guidelines for the curbside yard waste collection program:

- 1) The Public Works Department will collect a maximum of two green recycling containers (or equivalent) per household.
- 2) All yard waste must be placed in containers. No loose items will be collected and will be left curbside if not placed in a container.
- 3) Branches placed curbside for collection must be bundled in lengths not to exceed six

feet.

4) Each container should weigh 30 lbs. or less to prevent injury to the road personnel.

5) The curbside yard waste program is designed to collect grass clippings, trimmings and small amounts of yard debris. Whole trees or amounts that exceed the two-container limit listed above will not be accepted.

The Dallas Area Municipal Authority (D.A.M.A.) will accept dropoff of any yard waste during regular business hours at the D.A.M.A. facility in Kingston Township. Call D.A.M.A. at 696-1133 for hours of operation and dropoff policies.
