Heating grants available for low-income UGI customers

UGI Utilities, Inc. is helping eligible gas and electric customers apply for federal energy assistance dollars to keep their homes warm this winter. These grants, which do not need to be repaid, help customers with limited or fixed incomes pay their heating bills, repair or replace a heater and avoid utility service shut off. Last winter over 13,700 UGI customers received money from this fund. The average grant was \$259.
 Funds are limited and available on a first come, first served basis, so UGI urges customers to apply as soon as possible. For more information on federal energy assistance, customers should call UGI at 1-800-UGI-WARM (1-800-844-9276). UGI will provide information on the application process and assistance completing and submitting the required forms. To qualify for funds a customer must provide proof of income, a recent heating bill, and the name, birth date and Social Security number for each person in his or her household. A table of qualifying income levels is attached.
 At any time of the year, UGI customers who

have a problem paying their utility bill are encouraged to contact UGI promptly for information on available assistance programs as well as payment arrangements. UGI Utilities' headquarters is located in Reading, PA. The utility serves 292,000 natural gas customers in 14 southeastern PA counties and 62,000 electric customers in portions of Luzerne and Wyoming counties. Additional information about UGI is available at www.ugi.com.
