

LIBRARY

(continued from page 4)

This month's display in the library case is that of "Toy Story" characters, the possession of Gabriel Weiss, age 6, a kindergarten student at Lake-Noxen. His parents, Mark and Marcey of Noxen, support his enthusiasm. Marks says that Gabriel saw the first "Toy Story" movie when he was about 3 years old, and "that was it!"

Gabriel has a little brother, Benjamin, who is 1, who may well become involved with the collection when he's a bit older. The other evening, when Mark and Marcey were assembling the collection, Benjamin just smiled. Gabriel told me I wasn't to look at it until it was completed. It is great fun to watch the actions and reactions of the parents and children.

The collection contains characters from "Toy Story" and "Toy Story 2," and from a spin-off of the movies, starring Buzz Lightyear, now in outer space. In addition to the characters, there are several Toy Story books, which Mark says Gabriel is reading well. Adults are welcome to present their collections, too. Margaret Susko of the library staff has displays scheduled into 2006. If you have a collection you'd like to add to the list, speak to her the next time you're in the library.
