

Kindergarten registration for Lake-Lehman schools

Lake-Lehman School District announces kindergarten registration and screening for eligible students on February 28 and March 1 and 2. Lake-Lehman School District policy states that a child must be 5 years of age on or before September 1, 2005, and fully immunized in accordance with the latest regulations of the Pennsylvania Department of Health, in order to register for kindergarten for the 2005-2006 school year. Kindergarten in the Lake-Lehman School District is an all-day program.

Parents or guardians must accompany the student during the registration process and present a birth certificate, proof of residency (driver's license or utility bill with home address), and immunization record for the child. Immunizations required are the three doses of hepatitis B, three doses of polio, four doses of DTP (fourth dose after the fourth birthday), two doses of MMR, and varicella (chicken pox) vaccine or date of disease.

Registration will be held according to the following alphabetical schedule of the last name:

DHS Key Club holds Think Pink Week

The Dallas High School Key Club recognized Think Pink Week by encouraging all students to wear pink each day. At the end of the week, members of the Key Club who had worn pink gathered outside to form a living ribbon. Also, pink ribbons and Find the Cure Bracelets were sold to the student body and a gift basket was raffled off to all who helped out by purchasing a bracelet. The sales were very successful, with the bracelets having sold out almost immediately. All profits benefited the Breast Cancer Awareness Foundation.
