for You.

From magazine covers to TV, smile makeovers are everywhere! But an enhancement as simple as replacing the metal fillings in your back teeth with natural-looking porcelain can make an amazing difference in your smile.

For dentistry that emphasizes health and appearance, see Dr. James DeFinnis of Back Mountain Dental.

Offering conservative dentistry, Dr. DeFinnis offers treatments that preserve natural tooth structure, helping teeth retain their strength. He also practices non-metal dentistry, restoring teeth with strong, safe and attractive inlays and onlays, possibly delaying the need for a crown.
