### Vials of Life to be distributed

Lake Lehman High School student Alysa Scavone will be distributing Vial of Life packets from 8 a.m. to 12:30 p.m. Sun-

day, Feb. 12 at St. Paul's Lutheran Church on Route 118 in Dallas. The Vial of Life is designed to provide information for someone when they are unable to speak during a medical emergency.

Every packet contains a medical information form for each individual living in your home, and is placed on the top shelf of the door of your refrigerator. A Vial of Life magnet which is provided is then placed on the outside of your refrigerator to alert medics that important information concerning the individual's medical condition, prescriptions, allergies, and contact information can be found inside.

Scavone is distributing the packets as part of her senior completion project. She will also be distributing packets from noon to 3 p.m. Saturday, Feb. 18 at the Lehman Volunteer Fire Co. The public is invited and there is no charge to receive a packet.

### Blood drives set for February

The American Red Cross will conduct three blood drives in the Back Mountain area during February. The first drive will be held from 1-6 p.m. Thursday, Feb. 16 at the American Legion in Dallas. This will be a special type "O" blood drive, but you do not have to be type "O" to donate.

A blood drive will also be held from 1-6 p.m. Tuesday, Feb. 21 at the Irem Temple Country Club in Dallas. Blood drives are held every other month at the club, so anyone who donated in December is eligible to donate. The final February blood drive will take place from 1-6 p.m. Thursday, Feb. 23 at the Church of Christ in Sweet Valley. The ladies of the church serve refreshments.

First-time donors are welcome. Anyone 17 years old, weighing at least 110 pounds and in good health may donate. For more information, call 1-800-448-5433.
