Tunkhannock band sets fund-raisers

The Band Booster Association of the Tunkhannock Area High School marching band is holding several fund-raisers to help raise money for the band's trip to the 2007 Toyota Gator Bowl in Jacksonville, Fla. A Golf Ball Rumble will be held at 1 p.m. Saturday, July 1 at Harding's Dairy Bar and Golf Range on Route 92 north in Tunkhannock. Owner John Harding donated the golf balls, equipment and facility for the event. Mayor Norm Ball will officiate.

Numbered pre-sale tickets, designating a corresponding golf ball number, will be sold for \$5 each. At 1 p.m., a truckload of numbered balls will be dumped at the top of the hill. Ticket holders of the first five balls to cross the finish line at the bottom of the hill will each win \$100.

The Band Booster Association will be selling tickets for the event from 11 a.m. to 5 p.m. Sunday, June 4 at the Wyoming County Chamber of Commerce's Outdoor Expo at Lazybrook Park in Tunkhannock. Jazz at Six, a musical group comprised of select members from the Tunkhannock marching and concert bands, will provide

entertainment from 3-5 p.m. at the Expo.

Tickets for the golf ball drop will also be sold from 10 a.m. to 5 p.m. Saturday, June 24 at Tunkhannock's Founder's Day celebration. The rain date is June 25.

"The Booster Organization's goal is to try to raise enough money so that every band member can afford to go," explained Jill Smith, fundraising co-chair. "Our students deserve this. The Tunkhannock Area School District has an excellent music program, and it is our dream to be able to raise enough money for every student to attend at no cost."

A golf ball tournament, sponsored by Friends of the Band, will be held Aug. 25 at Stonehedge. The entry fee is \$75 per person and includes a golf cart, greens fees, a steak dinner, and prizes. There will also be a longest drive and closest to the pin contests. To register, call Jill Smith at 836-6979.

Anyone unable to attend any of the fund-raisers but interested in supporting the band may purchase tickets from any Tiger band member or by calling the school at 836-8260.

Penn State W-B plans summer camps

Penn State Wilkes-Barre's 2006 Summer Youth Program brochure is available at the campus on Old Route 115 in Lehman Township. The brochure lists complete descriptions and costs for programs that provide challenging and enriching activities for children ages 2-18.

The camps were created to spark an interest in science and technology. The are also available for budding artists, actors, journalists, horticulturists, sports enthusiasts, and more. Hands-on activities, experiments, and projects with experienced instructors are geared to each grade level. Eighteen new camps have been added, including camps for pre-school age children and their parents. Four sports camps are offered for children of various ages, soccer, golf, basketball and volleyball.

Two popular family summer camps will be offered. Preserving Family History, a camp about preserving family photos, films and records also teaches you how to archive your records with the latest technology. Conserving our Resources teaches families the history of coal mining and its impact on our water resources. Campers will visit a river front site for field work and learn how water is tested for purity or contaminants.

Students may purchase lunch or bring lunch from home. Bus transportation is available from Wilkes-Barre and Kingston.

While children attend camps, their parents and guardians are welcome to use the campus library or the exercise/weight room in the Athletics & Recreation Building. For more information, or a complete brochure, call Ellen Gregorio at 675-9220 or e-mail wbce@outreach@psu.edu. The brochure is also available online at www.wb.psu.edu/ce.
