Really Cooking Cafe & Catering

Why are we called REALLY COOKING?
Because that's what we do.

Everything we proudly offer has been expertly prepared using quality ingredients from recipes we have spent many years to develop and perfect.
We really cook and bake all of our fine foods.

This assures the best product possible, so we can be proud to offer it to you, our guests.

We realize that if we want tasty, buttery pastries we have to use real butter.
If we want cheesy macaroni and cheese, you guessed it...real cheese.

This commitment to quality is what gives our products a high standard that is difficult to find in our "Fast Food/Mass Marketed" industry.

Is it worth the extra effort?

Sure it is.

Why?

Because you deserve the best!
