Siegel named board of trustees chairman at CM

Siegel

The College Misericordia Board of Trustees recently elected Shavertown resident Paul "Chip" Siegel as board chairman during its annual meeting. Andrew Cor-

nell of Mountain Top was named as vice chairman.

Siegel, a trustee since 1996, succeeds Sandy Insalaco Sr., who served five years as chairman, the maximum term allowed. Siegel chaired the presidential search committee in 1998 in which Michael MacDowell was chosen, and the finance and administration

committees.

"Chip Siegel has served Misericordia well in so many capacities during his long tenure on our board," said MacDowell. "He understands the mission of our Sisters of Mercy-sponsored institution. He will be an invaluable leader taking over admirably from former chairman Sandy Insalaco."

"I really liked this camp because I have never been to anything like it before and it was a very good experience," Janelle Marshalick, 14, said.

Similarly, Selia Cowtier, 14, explained how the camp was an "excellent way to figure out what I want to do with my life - acting or directing or maybe something else. I can also use what I have learned later down the road and I know it will help

The main goal of the camp was to have the students never look at film the same way again and to always be thinking about what is going on behind the scenes of a movie, said Bachman.

"I wanted the kids who knew

nothing about film-making to come to understand how the basic beginning, middle and end of movies are created," he said. "In addition, I want the kids, if anything, to leave here knowing the basic movie fundamentals discussed in class and thankfully, I think they all will."
