

## LEHMAN-JACKSON ELEMENTARY HOLDS ANNUAL FALL FESTIVAL

Students at Lehman-Jackson Elementary School recently attend the annual Fall Festival on the school grounds in Lehman Township. The students participated in various events, such as limbo, tug of war, and pumpkin relay. They also had their faces painted and went on a hayride. The festival was made possible through proceeds from last year's raffle baskets at the school's annual Art and Science Show. Students attending the festival, from left, on the wagon steps are Emily Maculloch, Tyler Chaffman and Adam Keithline. Standing in front: Samantha Lindley, Katie Yoniski, Jared James, Bill Hillman, Brandon Kelley, Robbie Ide and Tristan Fry. Seated: Kayla Martin, Chelsea Titman, Zach Chabala, Janelle Akers, Michael Murphy, Dustin Zeiler, Kieran Sutton and Jason Daron. Standing in wagon: festival coordinator and teacher Donna Richards, Kris Konicki, John Butler and Jeff Carter.

## SCHOOL BRIEFS

### Lake-Lehman sets Financial Aid Night

The guidance department of Lake-Lehman Junior-Senior High School will hold Financial Aid Night at 6:30 p.m. Thursday, Nov. 30 in the school auditorium.

Thomas O'Donnell, PHEAA regional director, will be the guest speaker.

He will discuss financial assistance available to students, as well as answer questions regarding the financial aid process.

The presentation is appropriate for anyone who anticipates sending a child to college in the near future.

### Friedman Observatory open Monday nights

Ever wonder what Neptune looks like?

Has the controversy over Pluto piqued your interest in the solar system?

The Friedman Observatory at the Penn State Wilkes-Barre campus in Lehman Township offers opportunities to view the night sky through a computerized 16-inch Meade telescope.

The observatory is open to

the public starting one hour after sunset on clear Mondays. If Monday is not clear, the observatory will be open Tuesday at the same time.

John Rovnak, acting director of the observatory, and her assistants will be on hand to answer questions.

Rovnak is an amateur astronomer, retired aerospace engineer, and Penn State graduate. Small groups are welcome on public nights.

Larger groups, such as Girl and Boy Scout troops, are invited to call for a private session.

The Observatory opened in 1990 and the computerized Meade Schmidt-Cassegrain reflecting telescope is the only one of its kind in the region. The rural setting provides a perfect opportunity for stargazing away from city lights.

For more information regarding viewing opportunities, contact Thomas Winter at 675-9278 or txw2@psu.edu; and Rovnak at 925-2561 or jer32@psu.edu.

Information is also available on college's Web site at www.wb.psu.edu. Go to the quick links for the Friedman Observatory.
