Food Pantry lists needs

While all non-perishable foods are welcome at any time by the Back Mountain Food Pantry, the greatest needs currently are for canned stews and meats, canned fruits and vegetables, peanut butter and jelly, canned spaghetti and spaghetti sauce, pudding mixes, Jell-O, pancake mix and syrup, cake mixes, cereal, sugar and rice.

Due to the generosity of Back Mountain residents, the food pantry was able to help dozens of families during the cold and snowy months. Without the supplies of food at the pantry, many families would have been forced to choose between food and fuel, and many of our elderly residents would have been forced to choose between food and their medications.

Individuals or groups wishing to donate food may call the food pantry at 696-2917 for information or to arrange a mutually convenient time for volunteers

on duty to receive the food.

Street sweeping to begin in Dallas

The Dallas Borough Road Department is holding its annual spring street sweeping program. The program is expected to begin immediately, weather permitting, and will continue until all borough roads have been cleaned.

The department requests residents follow a few simple instructions to assist the staff in the collection of road cinders and winter materials deposited throughout the winter driving season. Residents are asked to rake all cinders to the side of the road in even layers, avoiding large piles and under no circumstances should cinders be swept into the storm water catch basins.

Property owners should not fill containers with cinders in excess of 20-25 pounds as collection is made more difficult. Heavy containers may not be picked up. Rocks, limbs and yard waste should not be included for pick up with the street cinders and green recycling containers should not be placed curbside. The yard waste recycling pick up is scheduled to begin in May.

For more information, call the road department at 674-5362.
