UPM Raflatrac in brief

UPM Raflatrac, part of UPM, is a world-leading supplier of self-adhesive label materials and radio frequency identification (RFID) tags and inlays. UPM Raflatrac has around 2,500 employees and made sales of approximately USD 1.3 billion in 2006. The company has a global service network consisting of 11 factories on five continents and a broad network of distribution and slitting terminals and sales offices worldwide.

UPM Raflatrac is currently seeking to fill a Maintenance Technician position at its distribution and slitting terminal in Wilkes-Barre, Pennsylvania. UPM Raflatrac's success is based on the professionalism of all UPM Raflatrac employees. The foundation for this is in the motivation for continuous individual and team development. That is why the company firmly believes in creating a work environment that promotes active participation and fosters teamwork.

MAINTENANCE TECHNICIAN

Requires any combination of education and experience equivalent to an Associate's Degree in Mechanical or Electrical Engineering Technology or related discipline, and 5 - 10 years experience of maintenance works in an industrial environment, preferably in a paper or converting industry. Multi-shift exposure preferred. Must have understanding of mechanical components used and the effective maintenance of a wide range of equipment, including highly automated, technologically advanced machinery. Requires ability to read and interpret blueprints and maintenance diagrams for mechanical components. Must have experience with maintenance management and CBM systems. Background in welding, machining, pneumatic and hydraulic systems desired. Must have excellent communication skills, and the ability to relate well to a wide range of constituents. Must be able to function well as a member of a team. Previous project team experience preferred.

Resumes may be submitted to: Human Resources, Attn: Lori - WBMaint 0507
400 Broadpointe Drive, Fletcher, NC 28732 or Fax 1-828-651-4949

Due to continued explosive growth, PetsUnited, LLC is looking to fill multiple positions within several departments.

An Internet Retailer Top 50 company, PetsUnited is a dynamic multi-channel marketer/merchant offering a wide variety of top quality pet products through multiple web sites and catalogs. The parent company to numerous URLs, the majority of which are pet-oriented, PetsUnited is growing by leaps and bounds.

Mind-boggling growth at a galloping pace is planned for 2007. In addition to e-commerce, more than 11 million catalogs are scheduled to be mailed. We have recently acquired State Line Tack, another equine company, which will bring our current division total to nine. Because of this, we will be looking to add up to 70 more associates in the next 60 days. **Positions Available:**

CUSTOMER SERVICE SPECIALISTS

- Answer telephone call inquiries
- Promote our products and services
- Research & resolve complaints to ensure customer satisfaction
- Equine or Ferret experience is a plus

WEB PROGRAMMER

- Responsible for creation and maintenance of multiple websites
- Knowledge of ASP, .Net, JavaScript, SQL, Visual Basic and HTML a must
- BA in Computer Science or related work experience required

EQUINE PRODUCT SPECIALISTS

- Support contact center staff
- Perform product testing
- Horse training, riding and care experience a must

FERRET PRODUCT SPECIALISTS

- Support contact center staff
- Perform product testing
- Ferret ownership and care experience a must

If you are looking to join a company with a brilliant future in the rapidly growing field of e-commerce, PetsUnited, LLC is the place for you. Come see everything we have to offer a fantastic work environment and friendly staff, in a fabulous location, plus outstanding employee discounts and competitive benefits!

Please send your resume and cover letter to HumanResources@dog.com. Other positions may be available, please inquire using the same email address.
