Dallas Borough enforces maintenance

The Dallas Borough Code Enforcement Office announces the seasonal enforcement of the Dallas Borough Property Maintenance Code. Property owners should be alerted that inspections will be scheduled for all property owners deemed in violation of the code and the borough will prosecute all offenders through the enforcement of the regulations.

Recent routine property inspections in neighborhoods throughout the borough revealed numerous violations, including exterior property violations for property owners failing to maintain their premises in a clean, safe and sanitary condition. The borough will require property owners to

remove all vehicles not properly registered and inspected, inoperable motor vehicles, failure to cut grass, appliances littering yards, debris, and rubbish or other inappropriate materials littering yard areas.

Dallas Borough officials strongly urge all of our property owners to respect their neighborhoods recognizing the quality of life that borough residents have long enjoyed.

Questions pertaining to enforcement actions and inspections should be directed to the Dallas Borough Zoning Enforcement Officer by calling the Dallas Borough Municipal Building at 675-1389.

Food Pantry lists needs

While all non-perishable foods are welcome at any time by the Back Mountain Food Pantry, the greatest needs currently are for canned stews and meats, canned fruits and vegetables, peanut butter and jelly, canned spaghetti and spaghetti sauce, pudding mixes, Jell-O, pancake mix and syrup, cake mixes, cereal, sugar and rice.

Due to the generosity of Back Mountain residents, the food pantry was able to help dozens of families during the cold and snowy months. Without the supplies of food at the pantry, many families would have been forced to choose between food and fuel, and many of our elderly residents would have been forced to choose between food and their medications.

Individuals or groups wishing to donate food may call the food pantry at 696-2917 for information or to arrange a mutually convenient time for volunteers on duty to receive the food.

Street sweeping to begin in Dallas

The Dallas Borough Road Department is holding its annual spring street sweeping program. The program is expected to begin immediately, weather permitting, and will continue until all borough roads have been cleaned.

The department requests residents follow a few simple instructions to assist the staff in the collection of road cinders and winter materials deposited throughout the winter driving season. Residents are asked to rake all cinders to the side of the road in even layers, avoiding large piles and under no circumstances should cinders be swept into the storm water catch basins.

Property owners should not fill containers with cinders in excess of 20-25 pounds as collection is made more difficult. Heavy containers may not be picked up. Rocks, limbs and yard waste should not be included for pick up with the street cinders and green recy-

cling containers should not be placed curbside. The yard waste recycling pick up is scheduled to begin in May.

For more information, call the road department at 674-5362.

BANDITS

off the goalie's stick and over the goal.

Seminary finally got the win on a fast break when the shot snuck into the upper corner of the goal to make the final score 9-8.

The U19-HS boys also played an exciting overtime match with Central Columbia in Dallas. The Bandits gained a quick 2-0 lead in the first period but Central Columbia battled back to tie the score at 2-2 all before halftime.

In the third period, the two teams played a great defensive battle with each team limited to only eight shots combined. In the fourth period, Back Mountain scored with 6:15 left to get the lead but Central Columbia was able to tie it with 3:50 left to force the overtime.

In the sudden-death overtime, both teams had chances hit the crossbar and Central Columbia won it on a hard shot that squeaked between the goalie's legs.

The U15 boys finished their

regular season and played a great game against Tunkhannock coming up short 10-7 in an offensive show that had four lead changes.

The U11 boys played SPANorth to an 8-4 loss in Allentown.

A couple of notes: The U15 and U19-HS boys will play at the Riversticks Tournament in Lewisburg on June 2. The U11, U13 and U15 boys teams will play at the Liberty Lacrosse Tournament in Valley Forge on June 9 and 10.
