My goal is to say every single person in Luzerne County reads **The Times Leader**. Working toward that goal is what's in it for me. I've been in the news-

paper business all my life. I started delivering papers as a kid.

And now I'm devoted to making sure our subscribers get their papers on time. Because delivering

to our readers is just as important as delivering the news.

I love talking to readers. Give me a call at **829-5000** and I'll help you subscribe. And I'll let you know what's in it for you.

What's in it for you?
