Working with a terrific creative team. The hustle and bustle of putting out a daily paper. Connecting to our community. That's what's in it for me. I've been working in the newsroom for 25 years. During

that time I've talked to many readers, written many stories, and watched our region blossom. I know that our customers really care about our area. As we

do at **The Times Leader**.

I want our readers to get what they need from our paper. Drop me a line at jbutkiewicz@timesleader.com and let me know what's in it for you.

What's in it for you?
