## Kiwanis offers treats for tricks

The Annual Dallas Kiwanis Parade and Party attracted hundreds of costumed characters to the Old Dallas Township Elementary School last Sunday.

The parade began at the school, wound its way down Church Street and ended up at the Eastern Star building at the bottom of the hill where members of the Back Mountain Business Association treated the participants to a Halloween party.

Listed here are the winners of the costume contest.

**Thomas Young**  
"My knees cracked and pained me 24 hours a day. I could always tell when a storm came up. I was in pain so long and wore a knee brace for 5 years. My knee pain has lasted 20 years. I definitely feel better since seeing Dr. Hampton. I can now walk up and down the steps. I hobbled to walk the steps before. I can now sleep all night. I haven't worn a brace for some time now. It's great to be out of pain."

**Karen Kinley**  
"I was in excruciating pain going down stairs. It brought tears to my eyes. My students and nieces would want me to play kickball and I couldn't. I suffered for 9 months to a year. I have been coming to Dr. Hampton for 3 months and have no pain at all. I'm playing kickball with no problems. I would recommend this 100%. I highly recommend Dr. Hampton. I am doing step aerobics once again."

**Theresa Fredo**  
"I was in an auto accident and injured my right knee. I was in a lot of pain. I got a shot and it didn't help. They took an MRI. I couldn't go up and down steps until I saw Dr. Hampton. He really helped me. I have no problems any more, with steps or anything. I have no pain at all now. I would really recommend Dr. Hampton for someone having knee problems."
