Elena Habersky is first Honorary Page

Elena Habersky, of Dallas Township, had the opportunity to serve as the very first Honorary Page of Representative Karen Boback, District #117, during the 2007 summer session of the House of Representatives in Harrisburg.

Habersky was introduced in the House chamber by Speaker of the House Dennis O'Brien as a student from Dallas High School. Her parents, Joe and Karen Habersky, were acknowledged as being present in the visitors' gallery prior to the day's opening session.

Habersky's duties for the day at the State Capital included running errands, posting mail and making photocopies as needed for Republican members of the House, as well as listening to a variety of speakers. Elena also received permission to attend an office meeting with Rep. Boback and a lobbyist who was concerned with the stealing of horses and their shipment overseas.

She experienced first hand what a day in the House of Representatives includes and, for her service, received a personalized certification of recognition from Representative Boback.

Currently a junior at Dallas High School, Habersky is actively involved as an aide in the Foreign Language Academy held at the Dallas Elementary School, is a member of the National Honor Society, Junior Steering, numerous clubs and plays on the Dallas High School girls basketball team.
