TUMC Bible School is a big hit with kids

"Son World Adventure Park" was this year's theme for Vacation Bible School at the Trucksville United Methodist Church.

Children from nursery school to sixth grade enjoyed games, crafts, songs, snacks and Bibles stories.

A closing ceremony was held during the 10 a.m. church service on Sunday, Aug. 17, and was followed by a Missions Carnival.

Michelle Sowga is the Vacation Bible School director at the Trucksville United Methodist Church.
