DHS seniors organize event in memory of 1st Lt. Michael Cleary

A local version of the national "Run for the Fallen" honored all soldiers who have lost their lives in Operation Iraqi Freedom and especially memorialized Michael J. Cleary, a Back Mountain soldier who lost his life in military action.

Run for the Fallen is a collective group of runners who began their cross country run on June 14th from Fort Irwin, Calif.

They will complete their journey across the country on Aug. 24 in Arlington National Cemetery.

Their mission is to run one mile for every soldier lost in Operation Iraqi Freedom.

The idea for Run for the Fallen came from Jon Bellona, who lost his best friend and college roommate, Cleary, three years ago. Cleary was a graduate of Dallas High School.

Because of Cleary, seven juniors from Dallas High School and their advisor were inspired to hold a local 5K Run for the Fallen on Aug. 14 at Penn State Wilkes Barre.

Over 160 runners and approximately 30 bikers and walkers participated in the event.

The students raised over \$3,000 which will benefit four organizations: Wounded Warrior Project, The Yellow Ribbon Fund, 1st Lt. Michael J. Cleary Fund and H.U.G.G.S. (Helping United Gold Star Survivors).

The local event was coordinated as a Senior Completion

Bob Micikas was the first male runner to cross the finish line in the 5K "Race for the Fallen" held at the Penn State Wilkes-Barre campus.

Twelve-year-old Regan Rome was the top female finisher in the local event.

The 5K "Race for the Fallen" was a senior class project for, from left, Mitch Cohen, Dana Martin, Ellen Arnaud, Jim Brown, Taylor Bowman, Chris Dailey and Griffin Adams, all seniors at Dallas Senior High School.
