

A silver moment

Events note 25th anniversary of Meadows Nursing Center

It was a celebration in every sense of the word as members of the community and friends came out in droves to note the 25th anniversary of the Meadows Nursing Center in Dallas.

During the day, a pictorial history called "Stroll Down Memory Lane" was available for viewing while free raffles and a light lunch were also offered.

The evening party was a little more formal with food stations and a whole lot of camaraderie.

Starting with the Meadows Apartments in 1981, the campus quickly expanded and the Meadows Nursing Center opened in 1983. Between 1983 and 2000, the Hi-Meadows Apartments, the Meadows Manor for Assisted Living and The Little Meadows Daycare sprung up.

The Meadows, which is owned by Ecumenical Enterprises Inc. (EEI), employs 160 full-time people and has an active volunteer program
