ALEX HOYT RECEIVES CITIZENSHIP AWARD

The Citizenship Award was recently presented to Lehman-Jackson Elementary School sixth-grader Alex Hoyt at an awards program at the school. The award is presented in memory of Michael Gruen and Linda Wasley, former sixth-grade teachers at Lehman-Jackson Elementary School. The recipient of the Citizenship Award is selected by teachers and students on the basis of those qualities which best exemplify a good citizen—academics, dependability, honesty, cooperation, respect and leadership. Here, Lehman-Jackson Elementary School Principal Marilyn Glogowski presents the award to Hoyt.

Presenter: **Dr. Sheldon Spear**
 Since the late 18th century, northeastern PA has been the locale for various kinds of conflicts. Dr. Sheldon Spear will discuss the Wyoming Valley Streetcar Strike of 1915-16 and the United Anthracite Miners' Rebellion of the early 1930s. These events revealed not only the harshness of life in northeastern PA but the deep class animosities that once divided its people.
