Luzerne Bank opens new Lake office

Luzerne Bank celebrated the establishment of its newest Lake Branch Office with a grand opening and ribbon-cutting ceremony on November 15.

As the doors opened for business, visitors were personally greeted by the bank president and CEO Bob Snyder, Luzerne Bank board members and officers, the branch manager and staff. Nearly 300 cash-filled, eco-

friendly travel mugs were distributed to visitors.

Other highlights of the new Lake branch office grand opening included prize drawings for gift cards, digital picture frames and a high-definition television. These prizes will be awarded on December 17.

The Lake office is a newly refurbished, state-of-the-art building at the corner of Routes 118

and 415 in Dallas Township.

The Luzerne Bank Lake office includes expanded amenities such as two drive-through teller windows, a drive-through ATM, a large parking lot and additional teller stations.

In addition, the Lake office décor features art that shows many of the area's landmarks and familiar sights from Harvey's Lake past.
