The Meadows Nursing & Rehabilitation Center

The Meadows Nursing & Rehabilitation Center is located on a 15-acre tract in Dallas, Pennsylvania. This 130 bed skilled nursing facility offers both skilled and intermediate care to their residents. Along with the 24-hour nursing care, the Meadows Nursing & Rehabilitation Center offers rehabilitative therapy to those needing to improve or maintain their current condition.

CHECK US OUT

The Meadows Nursing and Rehabilitation Center would like to invite the community to attend the Grand Opening of their newly renovated and expanded Therapy department on December 17th from noon to 2pm. Stop by for a tour of our 3,500 square foot rehabilitation center and learn about physical, occupational and speech therapy. A representative from the Therapy department will be available to demonstrate the use of the equipment and answer any questions you may have. Refreshments will be available.

Meadows Nursing & Rehabilitation Center offers superior nursing care, which rehabilitates and improves the residents' health, and, when necessary, helps them to accept declining health with dignity and comfort in a loving, caring atmosphere. Their nurses are on duty around the clock, and a physician is always on call. In addition to excellent medical care, residents and their families benefit from the spiritual, social and emotional support offered at Meadows Nursing & Rehabilitation Center.
