

BLAZING SPIRITS 4H CLUB RESTORES MEMORIAL

The Blazing Spirits 4H Club, led by Stacy Field and Roxanne Vincelli, recently spent an afternoon restoring the Veterans Memorial at the junction of Route 292 and Creamery Road in Center Moreland. The girls did everything from weeding and mulching to painting and planting. The club chose the memorial as its community service project for this 4H year. Angel Food Ministries provides support in form of food relief to community

Angel Food Ministries, a non-profit, non-denominational organization dedicated to providing financial support in the form of food relief to communities throughout the United States, is sponsored locally by New Life Community Church in Dallas.

Angel Food offers a medium-sized box of food for \$30 that contains staples from every food group, including chicken or beef, milk, eggs, vegetables and other items.

One box of food feeds a family of four for about one week, or a single senior citizen for almost a month.

The menu varies each month and consists of both fresh and frozen items with an average retail value of approximately \$60.

There are also specialty boxes available.

In addition to excellent protein specials, Angel Food Ministries is offering a fresh fruit and vegetables box and a Senior Box to continue providing a nutritious variety of food.

Food orders are taken at New Life Community Church on the second weekend of the month and delivered on the third Saturday of each month for pick up at their Twin Stacks location on Memorial Highway.

There are no income requirements.
