Gate of Heaven students recently participated in the Junior Deputy Program.

The Junior Deputy Program is offered to students in Luzerne County elementary schools by the county sheriff's department. The goal of the program is to provide sound guidance and meaningful learning opportunities that will aid students in becoming responsible, productive citizens of the future.

The program is taught for five weeks and students learn the dangers of strangers, alcohol, drugs, tobacco and guns. They are also taught the consequences of shoplifting and vandalism.

After completing the program, the students were honored at a graduation ceremony which their parents were invited to attend. At the graduation, Deputy Sheriff Erin Joyce presented certificates and pledges to the students.
