TOBYHANNA
ARMY DEPOT

Location: Tobyhanna, PA
Established: 1953
Employees: 5000+
Company Profile: Tobyhanna Army Depot is the U.S. Department of Defense's premier facility for the repair, overhaul, maintenance and installation of communications-electronics systems and related equipment. Tobyhanna Army Depot employees provide comprehensive engineering, technical and logistics assistance services to customers at many sites in the Continental United States and Worldwide. The Depot operates permanent and semi-permanent Forward Repair Activities (FRA's) in Texas, Washington, North Carolina, Korea, and Germany and in several locations in Southwest Asia, and regionally deploys personnel on short-term contingency assignments to virtually all continents.

While the bulk of the Depot's mission is performed at its main facility in Tobyhanna, on any given day at least 10% of the workforce is also performing critical installation, repair and maintenance assignments at field sites around the world. Customers include the U.S. Army, Air Force, Navy and Marines, the Department of Justice, NASA, The White House Communications Agency and other Federal Agencies, as well as several foreign governments.
