

# Another fair year has come and gone!

There were rides, animals, displays, entertainment and food – oh, so much food. And it was all enjoyed by thousands of people over a five-day period last week. But, alas, all good things must come to an end and the 2009 version of the Luzerne County Fair has ended. Not to worry, though – there's only 51 weeks until next year's fair begins.
