Savanna's owners, Tom and Carol Ford, of West Center Hill Road in Dallas, returned to the Back Mountain area after working a few years in Atlanta, Georgia and named the latest Ford family addition after one of Georgia's finest cities. Savanna came from a litter of 10 from the Towanda area. The 1-year-old yellow Labrador Retriever is very friendly with people and loves to play Frisbee and tennis ball in the back yard, chase the birds and squirrels, look out the front window and bark at people passing by. She also loves to go for rides in the car, eat Milk Bones and chews and rub noses with the horses at the vet's office.

Lester B. Squier, supervising principal of Lehman Schools believes some of his students' eyes are bigger than their stomachs - especially those who have bought two lunch tickets at 15 cents each, for the big Thanksgiving Dinner that will be served in the school cafeteria next Wednesday afternoon.

And here's the reason. On that day the cafeteria will serve cranberry sauce, roast Back Mountain Turkey with Lehman dressing, mashed potatoes, gravy, ice cream and beverage. Portions will be extra large because the cafeteria director has purchased seventy-five pounds of turkey more than used last year.

1939 - 70 YEARS AGO

The purchase of more than 18,000 bushels of apples in Northeastern Pennsylvania recently by the Federal Surplus Commodities Corp. has made a considerable dent in this region's staggering apple surplus, the result of the second bumper crop in three years.

Twelve carloads of apples - averaging about 500 bushels to the car - have been bought from farmers in the Dallas section alone, according to Harold Brace of Orange, who is directing the whittling down of the surplus in seven counties.

This year's crop in Luzerne County has been estimated as high as 2,500,000 bushels, which would mean that it exceeds even the bumper crop of 1937. The natural, two-year cycle, added to the fact that a freeze in 1938 killed blossoms and resulted in a short crop last year, is given as an explanation for this year's surplus.

Information for "Only Yesterday" is taken from past issues of The Dallas Post which is 120 years old. The information is printed here exactly as it appeared in the newspaper years ago.
