

STAR WARS COLLECTION ON DISPLAY AT LIBRARY

The December display at the Back Mountain Memorial Library is Michael Gatusky's Lego Star Wars collection. The son of Theresa Gatusky and Mike Tomalis, Michael is 13 years old and is in the seventh grade at Gate of Heaven School. Michael has been making Lego Star Wars models for about two years and says, "I became interested in Stars Wars after seeing the movie. Initially, I enjoyed playing with the models, but not so much anymore." Most of the pieces in Michael's collection were given to him as gifts. He says his favorite piece is the long, black spacecraft which was assembled without any instructions.
