Employees 'dress down' for good causes

The Lake-Lehman School District has instituted a dress-down day for charitable causes.

Each month every district employee is given the option of donating money to various charities. In return, the employee may dress casually on Fridays.

In the month of November,

the district employees donated to the Veterans' Affairs Organization. This organization will buy some of the comforts of home for the veterans currently in the hospital.

The district employees also contributed to the annual Christmas Party. Students Council holds a party for disad-

vantaged children in the school district and the employees were able to sponsor a total of 10 children.
