

LEGO BIONICLES ON DISPLAY AT LIBRARY

The February display at the Back Mountain Memorial Library is Gabriel Weiss' Lego Bionicles collection. Gabriel, the son of Marcey and Mark Weiss of Noxen, is 11 years old and a fifth-grader at Lake Noxen Elementary School. Gabriel taught himself how to put the Legos together and says, "These were a new series of kits several years ago and I enjoyed the stories that went along with them." Gabriel's favorites in the collection are the Bionicles on the bottom shelf of the display because, as he says, "I took Legos and designed them myself and I would like to become a designer for Lego someday."

Blood drives are scheduled

Misericordia University will sponsor an American Red Cross Community Blood Drive from 10:30 a.m. to 4:30 p.m. on Tuesday, Feb. 9.

A drive will also be held from noon to 6 p.m. on Monday, Feb. 15, at the Dallas American Legion, Memorial Highway, Dallas.

The double red unit is scheduled to be at both of these drives. All donors in the month of February will be entered in a drawing to win a 3-day Carnival cruise.

The Red Cross requests that all donors bring identification and their Red Cross blood card. First-time donors will receive a blood donor card after their first donation.

Anyone 17 years of age, weighing a minimum of 110 pounds and in good health is eligible to donate. Youths 16 years of age accompanied by a parent may also donate.

A pre-scheduled appointment can be made to reduce the time needed for donating by calling 823-7164, extension 2150.
