Misericordia plans National Library Week events

The Mary Kintz Bevevino Library at Misericordia University has scheduled a book sale and slate of events to celebrate National Library Week from April 11-17.

The theme of the national celebration is "Communities Thrive @ Your Library," according to Martha Stevenson, director of library services, who adds the events are planned to invite the students and the community to learn more about how a library benefits the community it serves.

A National Library Week presentation: "Helping Our Communities Thrive" will be held from noon to 1:30 p.m. on Monday, April 12, in the Alden Lab of the library. The free

program will feature Misericordia students who will discuss the service projects they have conducted throughout the regional community.

The Friends of the Bevevino Library will host a Book and Bake Sale from 10 a.m. to 4 p.m. on Friday, April 16, and from 10 a.m. to 3 p.m. on Saturday, April 17, in the third floor Heritage Room.

There will be plenty of used paperback and hardcover books for sale as well as CDs and DVDs. Donations of sale items are welcome. Books and discs in good condition can be dropped off for the sale at the library during regular operating hours prior to April 7.

Anyone signing up during the week as a Friend of the Library

will be eligible for a list of great prizes, including a \$100 gift certificate at Mohegan Sun at Pocomo Downs. Prizes and basket raffle items have been donated by community library supporters and local businesses.

Other events include a game night for Misericordia faculty, staff and students on Sunday, April 11; a book cart decorating contest for MU clubs on Monday, April 12; a golf chipping contest and lunch at a hot dog cart on Tuesday, April 13; slinky and paper airplane contests on Wednesday, April 14; and another game night on Thursday, April 15.
