GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

	-		x		7
-		÷		x	
	-		x		16
x		+		+	
	+		+		18

JACKSON TOWNSHIP

Residents want answers to increase in tax bills

An increase found in their 2010 tax bills caused several residents to seek answers during Monday night's Jackson Township supervisors' meeting.

Feeling a pinch in the wallet, resident Robert Wojtowicz Jr. said he was looking through his bills to discover his municipal tax bill increased by 96 percent. Wojtowicz wanted to know how the supervisors justified the increase from .66 mil rate to 1.32. A mil rate is based on \$1 of every \$1,000 in assessed tax value.

Supervisor Al Fox explained

that the township only sees six cents for every dollar paid in taxes. The rest of the tax revenue is divided between the county and school district. On a \$150,000 assessed property, the township would receive \$16 to pay for services and amenities for residents, he said.

Resident Brian Gizenski questioned supervisors on the heavy equipment the township owns. "Why do you have a motor road grader?" he asked.

The grader is used for regrading the 12 and a half miles of dirt roads within the township,

Fox said. Chairman John Wilkes Jr. said the grader was purchased using a grant covering about \$23,000 which left roughly \$8,000 paid by the township.

In other news, a motion was approved to allow Luzerne Conservation District to participate in the LAG Municipal Auction that was scheduled to be held on April 17.

Boy Scout Troop #146 of Jackson Township was approved to run a refreshment stand during the auction. Proceeds will benefit their flag fund.

- Eileen Godin

Five stream improvement projects in Wyoming County receive \$125,000 from DEP agency

Rep. Karen Boback (R-117), along with Rep. Sandra Major (R-111) and Sen. Lisa Baker (R-20), have announced that the Wyoming County Conservation District will receive \$125,000 from the Department of Environmental Protection for five area stream improvement projects.

"As we have seen from local flooding and from the damage that spring rains have done all over the East Coast, it is important to address stream bank flooding issues right away," said Boback.

The grant will be used to alleviate damage to stream channels caused by the Jan. 25 flood at the following locations:

- Hettzheimer Run in Noxen Township (there are actually two improvement projects slated for this location).
- Leonard Creek in Monroe Township.
- Roaring Run in Monroe Township.
- Tributary to the Susquehanna River in Washington Township.

"Erosion and sediment control along our waterways are huge issues that impact our environment," said Major. "By making sure our stream banks are built up and providing proper drainage, we can help mitigate these potential problems."

The projects will include improvements such as installation of stacked rock, installation of riprap and installation of multi-log vane deflectors.

"Small investments now in effective stream improvements can make a big difference later by preventing flooding or lessening the extent of damage when flooding occurs," said Baker.
