

ART STUDENTS BRING SPRING TO LIFE AT MEADOWS

With help from Dallas High School art students, spring has sprung at the Meadows Nursing and Rehabilitation Center, Dallas. Students painted spring scenes on windows and doors throughout the center. Residents, staff, friends and family members love to watch the students paint and enjoy the art work for weeks. This community service project is under the direction of Dallas High School art teacher Claire Morris. From left, are Ethan Pensak, Amanda Fiorelli, Jacob Hebb, Cierra Plesnar, Kayla Kaufmann, Carol Wengen and Alissa Derby.
