GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

Kingston Twp. cleanup begins May 3

The Kingston Township Board of Supervisors has announced that Spring Cleanup for 2010 will be held May 3-8, at the Kingston Township Public Works Facility, East Center Street, Shavertown. Spring Cleanup is open to Kingston Township residents only.

The hours will be from 7 a.m. to 7 p.m. Monday through Friday and from 8 a.m. to 4 p.m. on Saturday.

All residents will be required to obtain an Admission Coupon in accordance with the following fee schedule: Cars/small SUVs, \$5/coupon (unlimited); mini vans/mid-size SUVs/small pickup trucks (6-foot bed or less), \$10/coupon (unlimited); full-size pickup trucks/utility trailers/cargo vans (less than one ton), \$25/coupon, (two-trip limit); and vehicles heavier than one ton, \$85/coupon (one-trip limit).

Residents are reminded that refunds will not be given on admission coupons.

Proof of residency, such as a tax bill or driver's license, is required to receive a coupon. Admission coupons will be issued to occupants of rental units and not owners. Residents will be limited to one of each coupon type.

To prevent delays at the drop-off site, residents are encouraged to purchase their coupons from 8:30 a.m. to 4:30 p.m. Monday to Friday through Friday, April 30, at the Kingston Township Municipal Building Administrative Office.

During cleanup week, coupons will only be available at the drop-off site.

Items that will not be accepted include household trash or garbage, recyclable items such as newspapers, plastics, bi-metallic cans, clear and colored glass, tree stumps, rocks and construction debris; toxic substances such as paints, solvents, automotive fluids, fertilizers, medical waste or chemicals.

Other items not accepted are washers, dryers, refrigerators, freezers, furnaces, stoves, water heaters or other large appliances. These items may be disposed of through the Dallas Area Municipal Authority (696-1133) for a nominal fee.

Air conditioners or dehumidifiers tagged with a certified sticker from a professional, stating that the Freon has been removed will be accepted. Tires are limited to two per residence. Residents are asked to present tattered American flags to the staff for proper disposal.

All residents must present coupon and proper ID to police officers on duty at the entrance to the cleanup. Police officers will collect coupons with one-trip and two trip limits.

Questions about spring cleanup 2010 may be directed to the Kingston Township Administrative Office at 696-3809.

Customers can apply for heating equipment rebates

A new state rebate program designed to help consumers save money and energy will begin April 21.

The Pennsylvania Home Heating Equipment Rebate Program could help as many as 33,000 households to purchase Energy Star-rated, non-electric residential hot water heaters, furnaces and boilers. The \$11-million program is being funded through the American Recovery and Reinvestment Act.

Consumers can apply for and receive rebates by following three simple steps:

- Reserve a rebate by completing an online application (available at www.paheatingrebates.com on April 21). Residents without Internet access can call 877-592-2061 to make a reservation;
- Purchase and have a contractor install a qualifying product. Purchases made before April 21 will not be eligible;
- Submit the completed rebate application within 30 days of the reservation date.

The best way to guarantee a rebate is to obtain a reservation when in the process of deciding to make a purchase.

Rebates will range from \$100 to \$500, depending on the equipment's efficiency rating. Complete information about the program, as well as a listing of eligibility requirements, is available on www.paheatingrebates.com. Consumers will also be able to check the Web site for real-time updates on reservation availability.
