

Learning about the outdoors

Mother Nature wasn't very cooperative, dumping buckets of water on the area most of Sunday, but participants in the annual JAKES event sponsored by the Red Rock Chapter of the National Wild Turkey Federation at Moon Lake Park still got quite an education.

Youths were placed in age groups and learned about turkey calling, b.b. guns, outdoor cooking, archery, shotgun and clay shooting.

Chastity King was the coordinator of the JAKES event and Dale Butler is president of the Red Rock Chapter of the National Wild Turkey Federation.
