GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

DIFFICULTY: ★

Dallas Borough annual cleanup scheduled to be held May 3-8

Dallas Borough Council has announced the schedule for the annual spring cleanup to be held this year from May 3-8 at the Dallas Borough Municipal Building 25 Main St.

The hours of operation will be from 7:30 a.m. to 6 p.m. Monday through Friday and 8 a.m. to 3 p.m. on Saturday. Spring cleanup is only available to Dallas Borough residents.

Dallas Borough will require all residents to purchase an admission permit for the cleanup. Contact the Dallas Borough Building at 675-1389 for fee structure and clean up

regulations.

Proof of residency such as a tax bill or driver's license will be required to purchase the necessary permit. Admission permits will be issued to the

occupants, not owners of Dallas Borough rental units.

In an effort to avoid delays at the drop off site during cleanup week, residents are asked to pre-purchase their permits

during borough office hours from 9 a.m. to 4 p.m. Monday through Friday at the Dallas Borough Municipal Building. No refunds will be issued.

Property maintenance code in Dallas Borough will be enforced

The Dallas Borough Codes Enforcement Office announces the seasonal enforcement of the Dallas Borough Property Maintenance Code.

Borough officials ask property owners to remove all "junk" vehicles, inoperable

motor vehicles, appliances littering yards, debris and rubbish or other inappropriate materials littering yard areas.

Residents should note that the annual Dallas Borough Spring Cleanup will be held this year beginning Monday,

May 3, and continue through Saturday, May 8.

Questions pertaining to enforcement actions and inspections should be directed to the Dallas Borough Municipal Building at 675-1389.

Gas drilling is topic of discussion

Misericordia University is hosting a presentation by Scott R. Perry, Esq., director of the Pennsylvania Department of Environmental Protection's Bureau of Oil and Gas Management, at 5 p.m. on Tuesday, May 11, in the Lemmond Theater in Walsh Hall on campus. The presentation is free and open to the public.

Perry will discuss oil and gas exploration and production and environmental protection in the commonwealth, particularly as it relates to gas exploration in the Marcellus Shale.

Perry's presentation is timely because he will have recently returned from a conference on Marcellus Shale in Pittsburgh. The

May 3-4 conference at Duquesne University will attract important representatives of government officials, oil and gas experts and industry representatives from as far away as Texas and Colorado.

Prior to becoming director, Perry was an assistant counsel with DEP's Bureau of Regulatory Counsel where he advised the department's Office of Energy and Technology Deployment Bureau of Oil and Gas Management, Bureau of Radiation Protection, Bureau of Laboratories, Division of Residual Waste, Division of Municipal Financial Assistance and Division of Source Water and Groundwater Protection.
