522 Education/Training

SCIENCE EDUCATOR
MMI Preparatory School seeks a dynamic, hands-on high school Science educator to teach lab-based high school Biology, and science electives.

Candidates should have a strong education background with an equally strong commitment to student success. A BS in Biology is required; an advanced degree with interdisciplinary teaching experience will be strongly considered.

The successful candidate will work as part of a dynamic, high energy educational team and will have strong interpersonal, communication, and organizational skills. Experience teaching and motivating students, and the ability to adapt new technology tools to further student understanding are a plus.

A complete job description for the Biology teacher position as well as information on MMI is available on our website at:
www.mmiprep.org/aboutus/employment.html.
Interested candidates should e-mail their resume to:
cspencer@mmiprep.org
