

DALLAS BOROUGH

# Street names to change

By REBECCA BRIA

Council approved an ordinance on May 19, placing street names into record and preparing for the re-addressing phase of the county's E-911 standardized addressing project.

Borough manager Tracey Carr said GeoComm, which is conducting the project for Luzerne County, provided the borough with a list of street names to be changed. Carr said the new street names were approved in the ordinance.

According to Carr, several streets were changed as follows: East Terrace Street was renamed to Baker Lane, West Terrace Street will become a continuation of Monroe Avenue, Highland Avenue will become a continuation of Maplewood Avenue, Powderhorn Drive will become a continuation of Fawn Drive and Park Avenue will be renamed to Wooded Lane.

The street revisions will now be submitted to the U.S. Postal Service for approval, Carr said.

Carr stressed that residents who will be affected should not change their address until they are contacted through the mail by the U.S. Postal Service, a process that may take several months.

### Alarm ordinance

Council also approved a separate new ordinance regarding the registration, permitting, regulation, penalties and rights of inspection for burglar, fire and medical emergency alarms.

Penalties will be incurred for more than two false alarms in a consecutive 12-month period, Carr said. The fines will be as follows: \$50 per occurrence for false burglar alarm, \$75 per occurrence for false medical alarm and \$100 per occurrence for false fire alarm.

### Summer recreation program details set

Council approved the details for the 2010 summer recreation program. This year's program will include the participation of up to 100 children from Dallas Township. The township has pledged to pay half the cost of the overall program expenses.

Registration for the summer recreation program will be held only at the borough building, 25 Main St. in Dallas, as follows: 9 a.m. to 4 p.m. on Monday, May 24 through Friday, May 28; and 10 a.m. to 12 p.m. on Saturday, May 29.

Children ages 6 through 12 are eligible. Borough children and up to 100 children from Dallas Township may participate.

The cost is \$20 for the first child per family and \$10 per additional child in a family.

### Summer recreation counselors hired

Eight counselors were also hired for the summer recreation program as follows: Erica Slocum and Danielle Krawetz, at a returning employee rate of \$7.75 per hour; Eric Domzalski, Ellen Arnaud, Joseph Murray, Jacquelyn Hettes, Kelly Smith and Abigail Bachman, all at a new hire rate of \$7.50 per hour.

### DAMA representative

Council accepted the resignation of Kenneth Rogers as the borough's representative to the Dallas Area Municipal Authority Board of Directors.

Councilman John Oliver was appointed to fill the vacancy on the board and to serve the remaining term to expire on Dec. 31, 2013.

### Road department personnel

Frank Joseph Kus and Ronald Coolbaugh were hired as part-time summer employees in the borough's road department. Kus, who was re-hired, will be paid \$9 per hour plus a clothing allowance of \$100. Coolbaugh will be paid \$8 per hour plus a clothing allowance of \$75.

The resignation of James Joseph Barlow, a part-time employee for the road department, was also accepted.

LAKE-LEHMAN SCHOOL DISTRICT

# Resident wants emergency plan for drilling

Williams himself. Rossi said he would let Williams know that.

Michelle Boice voiced concern Monday evening at the Lake-Lehman School Board meeting that a natural gas drilling company slated to drill in the area has yet to contact the school district.

Boice, of Harveys Lake, said she learned at the school board's work session last week that EnCana Oil and Gas Inc. has not contacted the district with emergency plans and traffic plans.

EnCana has received permits for three natural gas drilling wells in the school district. The wells will be located in Fairmount, Lake and Lehman townships.

Boice is concerned that traffic from the drilling will compete with school buses for space on small, rural roads in the district.

"Get involved in this fight," Boice said. "Demand accountability from these people."

Superintendent James McGovern said he contacted EnCana last Friday but has not yet heard back from them, noting that he expects to.

McGovern said the district is more than willing to sit down at the table to discuss an emergency plan and to address traffic concerns.

### Parent shares concerns of new coach

Mike Stuart, who has a son in the district's wrestling program, told the board that none of the wrestling coaches have been contacted yet by Thomas Williams, who was hired last month as the new head wrestling coach.

Board president Moderno Rossi said he had contacted the coaches. Stuart said they wanted to be contacted by

### Hires

The following people were appointed to positions: Tracey Elick, of Shavertown, as a substitute school nurse; Tammy Pudimont, of Shavertown, as an emergency certified substitute teacher; Alexander Higgins, of Mays Landing, N.J., as an instrumental music teacher, concert band director and marching band director; and John Ferdinand, of Dallas, as a junior high assistant softball coach.

### Resignations

Resignations were accepted from the following people: Linda Scott, a secondary physical education teacher; Patricia Jachimowicz, a fifth-grade teacher at Lake-Noxen Elementary School; Monica Shurites, a learning support teacher at Lehman-Jackson Elementary School; and Kelly Cave, from the senior high newspaper adviser position.

### FBLA members recognized

Six members of the Lake-Lehman Future Business Leaders of America were recognized for making it to the state conference. They are Dominick Duris, Elizabeth Lipski, Mariah Raspen, Adam Supey, Richard Swanson and Jonathan Thomas.

Supey, Swanson and Thomas placed third in the management decision-making category at the state conference.

The district, which re-started an FBLA chapter this year, has not participated in FBLA since 1977. Joan Alles serves as the adviser.

### History Day Contest winners recognized

Students who placed first, second and third in the senior division of the 2010 National History Day Regional Contest were recognized.
