las has been purchased for \$60,000 and the yellow building on Machell Avenue in Dallas, now housing the "Gate House Pre-School," have been purchased from Gate of Heaven School by the parish for \$84,000. The Gate House Pre-School relocated to the main school building last year.

tiating a contract to have both houses (the King Street and Machell Avenue houses) demolished as they are "unhealthy, tally unsound."

Although no specific plans have been announced for these two properties, the church felt it was in its best interests to buy them now "due to their adjacent a survey sent to members indilocation" for any future plans, the church bulletin said.

The church had previously considered a building expansion has been renovated.

The parish is currently nego- in 2002 when architectural drawings of a renovated church worship area were presented to the parish body.

At that time, the parish felt it non-functional and environmen- could not afford a large building addition and the Diocese of Scranton indicated it would have to have as much as 50 percent of the monies committed to begin any building project. After cated a lack of support, the project was abandoned, although the current church worship area
