Dallas Borough announces road resurfacing project

Dallas Borough plans to resurface West Center Hill Road from just above Gerald Avenue to State Route 415, East Center Hill Road from State Route 415 to Lake Street and Lehman Avenue from Huntsville Road to Machell Avenue prior to the end of the 2010 paving season.

Once the streets have been resurfaced, the borough will not approve any utility pave cuts (other than for emergencies) for a period of up to five years. Residents

considering the installation of water, gas or other utility repairs or improvements are advised that any and all utility cuts to the roadway will be required to be completed prior to the street resurfacing projects and then prohibited for the five-year moratorium.

Anyone with questions pertaining to the road resurfacing project is asked to call the Dallas Borough Road Department at 674-5362.
