## READERS RECOGNIZED AT DALLAS MIDDLE SCHOOL

The Accelerated Reader Program allows students to select and read high-interest literature with an overall goal of fostering a love for reading. All students are required to read two books per quarter. Students take computer-based quizzes on each book completed and achieve points based on the number of books completed. Point leaders are recognized quarterly. At the end of the school year, building wide point leaders are rewarded and recognized. Shown here are the first quarter Accelerated Reader point leaders.
