

Former garage is now Harvest Cafe

The Back Mountain Harvest Assembly Church in Trucksville celebrated the opening of its new Harvest Café, the church's youth center, at an open house on Sunday, March 27.

The café is only open during church functions and serves coffee drinks, smoothies and other sweet treats.

The space occupies a former two-car garage and is equipped with computers, Internet access, televisions and a projection screen. It also offers a stage for bands, plays and other productions.

The facility was previously used for the church's youth group but is now open for community events, as well.

For more information about the Harvest Café, contact the Back Mountain Harvest Assembly Church at 696-1128 or visit the church website at www.bmha.org.
